At its meeting held August 3, 2004, the Board took the following action:

73-A

Supervisor Burke made the following statement:

“On August 3, 2004, the California Performance Review (CPR) panel formally presents to Governor Schwarzenegger a report containing numerous recommendations for overhauling State government.

“In its recommendations, the Review report will call for the Governor to work with the Legislature to replace the current structure of County school superintendents and County boards of education with regional superintendents and regional boards, using the 11 service regions created by the California County Superintendents Educational Services Association (CCSESA). Los Angeles County is its own region in the CCSESA organizational structure.”

Therefore, on motion of Supervisor Burke, seconded by Supervisor Knabe, unanimously carried (Supervisor Yaroslavsky being absent), the Board instructed the Chief Administrative Officer, Auditor-Controller, Chief Probation Officer and the Los Angeles County Superintendent of Schools to conduct an analysis of the California Performance Review (CPR) panel's recommendations within 45 days, addressing the potential impact of the CPR's recommendations on the operation of the Los Angeles County Office of Education and its provision of services and programs to the region's 80 school districts and 1.7 million students.
